

Microscopy New Zealand Inc

The object of Microscopy NZ Inc is the advancement of the science and art of microscopy in New Zealand. The Society periodically subsidises visits to NZ of eminent microscopists. Members receive the Society's newsletter "Microscopy in Focus" twice yearly and discounted rates for registration at the biennial Microscopy conferences. Any individual is welcome to apply for membership of Microscopy NZ Inc. Companies may subscribe to the Society's newsletter "Microscopy In Focus".

Name: Title:
